

NEIGHBORHOOD ASSOCIATION CLEANUP INFORMATION

ITEMS PROHIBITED FROM LANDFILL AND REGULAR GARBAGE

**QUESTIONS?
PLEASE CALL THE
LINCOLN-LANCASTER COUNTY HEALTH DEPARTMENT
441-8040
Monday - Friday
8:00 a.m. - 4:30 p.m.**

WASTE FROM ANY BUSINESS IS NOT ALLOWED AS PART OF A NEIGHBORHOOD CLEANUP

- ❖ **AMMUNITION/EXPLOSIVES**– Call the Bureau of Fire Prevention at 441-7791.
- ❖ **HEAVY METALS**– Items containing liquid mercury such as thermometers, thermostats and fluorescent bulbs should be brought to a Household Hazardous Waste Collection.
- ❖ **APPLIANCES**– Includes washers, dryers, water heaters, heat pumps, air conditioners, dehumidifiers, refrigerators, freezers, trash compactors, dishwashers, ovens, ranges, stoves, and wood stoves. Refer to the Recycling Guide or call the Health Department for businesses that accept appliances.
- ❖ **LIQUID WASTE**– Contact the Health Department for information.
- ❖ **AUTOMOTIVE WASTE**– Includes all fluids from any vehicle. Refer to the Recycling Guide or call the Health Department for disposal locations.
- ❖ **PAINT or SOLVENTS**– Oil based paint, varnishes, stains, polishes, waxes, mineral spirits, turpentine, paint strippers and thinners should be brought to a Household Hazardous Waste Collection.* Latex or water based paint may be dried out and then thrown in your trash.
- ❖ **BATTERIES**– All vehicle batteries and rechargeable batteries should be recycled. Does not include alkaline or zinc air batteries. Refer to the Recycling Guide or call the Health Department for locations.
- ❖ **PESTICIDES**– Weed killers, garden sprays, wood preservatives, roach powder, rat poisons, EPA banned products like DDT, chlordane, 2,4,5-T, pentachlorophenol (PCP), silvex, chlorpyrifos (Dursban) should be brought to a Household Hazardous Waste Collection.*
- ❖ **CHEMICALS**– Most chemicals should be brought to a Household Hazardous Waste Collection.* Call the Health Department for information.
- ❖ **PROPANE TANKS & GAS CYLINDERS**– See Recycling Guide for phone numbers or call the Health Department.
- ❖ **COMPUTERS & TELEVISIONS**– As part of a neighborhood cleanup, computers, their peripherals and televisions, are not accepted. Only homeowners may still put these items out with their regular trash. Citizens are encouraged to recycle their computers. Call the Health Department for recycling information.
- ❖ **TIRES**– It is recommended that tires not be included as part of a neighborhood cleanup. If they are, \$2.00 per tire should be collected, if on a rim, \$5.00 per tire. The Neighborhood Cleanup grant will pay for up to \$100 (approximately 50 tires) for tire disposal. Call the Health Department for tire disposal locations.
- ❖ **FLUORESCENT LIGHT BULBS**– Bring to a Household Hazardous Waste Collection.*
- ❖ **UNIDENTIFIED CONTAINERS OF WASTE**– No containers of unknown waste should be accepted as part of a neighborhood cleanup.
- ❖ **GRASS OR LEAVES (Yard Waste)**– Yard Waste is not permitted as part of a neighborhood cleanup. Includes crabgrass and pine needles.

*** HOUSEHOLD HAZARDOUS WASTE COLLECTIONS**

The Lincoln-Lancaster County Health Department sponsors one-day Household Hazardous Waste Collections from April to November. For collection dates and locations call 441-8021 or ask your neighborhood cleanup representative. Items accepted include: Heavy metals, oil-based paints and solvents, pesticides and PCB's. Only Lancaster County residents may bring items. There is no charge but donations are accepted.

If you have questions regarding the Neighborhood Association Cleanups please call 441-8035.
